TRADE COLLECTION

# A STORY BEHIND EVERY STITCH ...

Failte,

**Aran Woollen Mills** is delighted to share another knitwear collection for 2025. The year sees some fantastic new additions alongside our most-loved styles from the timeless traditional collection, the luxurious supersoft collection, the classic hand-knit and lifestyle collections.

As always, we continue to develop and expand our range. While wool will always be at the heart of the brand, this year we are delighted to introduce a cotton/linen knitwear collection, providing customers with an option for summer months and warmer climates. On the back of the continuing success

and popularity of our Donegal yarn range we have expanded this collection with new styles and colours.

We have always aimed to make our customers' jobs as easy as possible, so it was great to hear such fantastic feedback on the B2B portal and image asset library over the last year. As the world of eCommerce and digital marketing changes, we will continue to develop this to support your digital efforts to manage stock and market your **Aran Woollen Mills** product.

Our Irish heritage is very important to us. We are lucky to have two factories in our home county,

allowing us to produce most of our product in Ireland. We couldn't feel more proud of the team that we have, all from the local community, some of whom have been with us since 1983. Without this team Aran Woollen Mills would not be where it is today, so we felt it was important to celebrate these makers. This year's brochure highlights some fantastic images of our factory floor and makers at work here in Co Mayo.

We hope you enjoy buying and selling the **Aran Woollen Mills 2025** collection. We look forward to working with you now and in the future.

Is mise le meas,

VINCENT HUGHES

OUR HERITAGE CONTINUES FROM THE FIRST STITCHES IN 1965 TO THE STITCHES WE CREATE TODAY...
